

Hi there,

This is Angela Welch. Thank you very much for taking the time to read my book. I hope it was able to give you some peace, comfort, and joy if you have lost someone or are going through the experience of losing someone close to your heart.

This book was inspired largely by and for mom who used to say “when the Angels take me” when referring to her passing. On November 4, 2019 the Angels did take my mom. My mom was a beautiful lady that is now with me in my heart and spirit. Though she has transitioned away from me physically, she is far from forgotten. She will live on through me and in books like this one through Rennie’s experiences.

I invite you to anticipate Rennie’s adventures and life lessons in my follow up books due out next year.

Until then I can be reached at [angelawelchauthor.com](http://angelawelchauthor.com) or on Facebook at Angela Welch if you would like to drop me a line, we can talk about what matters to you.

Hope to hear from you soon.

Be well,

Angela Welch
